1 F: Whether that's true is open to debate ...

2 T: a professor of journalism

3 F: This evening's event ... is free.

4 T: Many of those attending are unwilling to talk about their worries to anyone but the therapists.

5 F: Jones's advice hardly seems original, but Novak says he is satisfied.

6 T: That's actually why many therapists take part in the event, Jones tells us. "This is a great source of new clients."

7 F: Some of those seeking advice aren't entirely happy with the format. "People near me can hear what I'm telling the therapist," remarks Donna Bersch.

8 F: But with the loud buzz in the room that sometimes reaches the level of shouting ... they're lucky to be able to hear the person sitting opposite them!
