Guide For Playing Dholak:

A Practical Guide to Spoken English Dr P.N. Gupta, 2014-10-14 Teaching of English in India has been traditionally grammar based. The teacher teaches a good deal of grammar, assigns exercises in class or as homework and makes a lot of corrections. Such painstaking efforts on the part of the teacher are of course helpful in learning the language but does not much help the student to use the language in day to day conversation. Leaving aside the traditional method of dealing with grammar as an isolated subject, the present book offers a specific course in spoken English that focuses on the language of interaction and social exchanges. Its main emphasis is on developing communicative ability of the learner.
