crochet hooks made out of plastic or bamboo because these are not easy to use Bamboo ones are often inexpensive made from natural material and definitely cool Plastic ones have wonderful color patterns The problem is that the wool tends to get stuck on them and creates problems you do not need to have at your early stage The best idea is to buy a plastic coated metal hook not so fashionable but easier to use for sure Neutral and light colors are strongly suggested Multi color hooks can confuse you while you are crocheting Later as you get more experienced and you start to use cotton too metal crochet hooks are ideal of course you will build up a wonderful collection of every kind of crochet hooks with time This book is addressed to all crochet juveniles with no experience but also to those with a previous background on crocheting In case that you have never held a crochet catch this book will take you through all the basic crochet lines to enable you to make superb things both little and supreme This book covers How to Read and Understand Crochet Tools and Materials Sample Crochet Projects Types of Crochet How to Crochet for Left Handers How to Crochet for Right Handers Knitting and Crochet Instructions For Beginner Crochet Students Both Left Handed And Right Handed Tips and Tricks to Crocheting History and Origin of Crochet Mistakes to Avoid Crocheting Background And much more Crochet guides you through the basic frameworks and secures giving information about photographs and pictures that can be used as first patterns Novices can work through the thorough and easy to follow techniques in the first part of the book ending on the planning and practice in the last section of the book The little projects fuse things going from a direct chain line wrist knickknack to an in the current style intarsia pad Ready to get started Click Buy Now *How to Crochet* Cynthia Carter,2015-03-19 **THE LATEST CROCHET GUIDE FOR**
