*Research paper is a short paper: a summary of the memoir or a short part of it.*

*Essay paper: address a particular subject. Discuss a particular movie, problematize sth.*

*Presentation: in groups of 5 students 10 minutes, it is more than a conversation.*

### *Chapter 1: Australia*

*Cultural cringe means that Australians are a bit ashamed of their culture, because it is a popular culture. So, Australians have an inferiority complex towards the Americans and the British because they think that they have not produced things or people like Shakespeare. They think of themselves very popular, but it is not true. We have major artists thanks to postcolonial studies.*

### *Chapter 2: India*

*Partition: India became independent from British rule and it was the separation between Pakistan and India. Gandhi, India is the biggest democracy in the world: more than 1 billion people. It takes five days for everybody to vote. But there is gender sized, rape. It is hard for Indian women. Contrast between major progress in technologies.*

### *Chapter 3: Canada*

*Multicultural. Canada was initially a bilingual and bicultural society. Now it is emerging as a multicultural society, but it is not so easy. We will talk about language in the media. French is lot in an ocean of English on the American continent.*

### *Chapter 4: South Africa*

*Rainbow nation, Apartheid, death of Mandela.*

## 1. The Commonwealth

*An association of 53 countries that used to be part of the British empire. What is it for? It is symbolically very important, because it means that these countries still have good relationships in spite of a past of colonial tensions. The queen of England is still the head of some of 16 states and head of the Commonwealth. We have also other countries with monarchies in the Commonwealth, but we also have republics.*

*1949: the declaration of London established the Commonwealth. A survey was made to ask who should be the leader of the Commonwealth. There is a lack of leadership. The Prime Minister of Canada boycotted a meeting that took place in Sri Lanka, because of the lack of respect of basic human rights.*
