Ethnic Groups Of Cambodia 1 Introduction And Overview:

Spirits and Ships Andrea Acri, 2017-03-13 This volume seeks to foreground a borderless history and geography of South Southeast and East Asian littoral zones that would be maritime focused and thereby explore the ancient connections and dynamics of interaction that favoured the encounters among the cultures found throughout the region stretching from the Indian Ocean littorals to the Western Pacific from the early historical period to the present Transcending the artificial boundaries of macro regions and nation states and trying to bridge the arbitrary divide between inherently cosmopolitan high cultures e.g. Sanskritic Sinitic or Islamicate and local or indigenous cultures this multidisciplinary volume explores the metaphor of Monsoon Asia as a vast geo environmental area inhabited by speakers of numerous language phyla which for millennia has formed an integrated system of littorals where crops goods ideas cosmologies and ritual practices circulated on the sea routes governed by the seasonal monsoon winds The collective body of work presented in the volume describes Monsoon Asia as an ideal theatre for circulatory dynamics of cultural transfer interaction acceptance selection and avoidance and argues that despite the rich ethnic linguistic and sociocultural diversity a shared pattern of values norms and cultural models is discernible throughout the region [The Routledge Handbook of Heritage Language Education](#) Olga E.

Kagan, Maria M. Carreira, Claire Hitchens Chik, 2017-03-03 The Routledge Handbook of Heritage Language Education provides the rapidly growing and globalizing field of heritage language HL education with a cohesive overview of HL programs and practices relating to language maintenance and development setting the stage for future work in the field Driving this effort is the belief that if research and pedagogical advances in the HL field are to have the greatest impact HL programs need to become firmly rooted in educational systems Against a background of cultural and linguistic diversity that characterizes the twenty first century the volume outlines key issues in the design and implementation of HL programs across a range of educational sectors institutional settings sociolinguistic conditions and geographical locations specifically North and Latin America Europe Israel Australia New Zealand Japan and Cambodia All levels of schooling are included as the teaching of the following languages are discussed Albanian Arabic Armenian Eastern and Western Bengali Brazilian Portuguese Chinese Czech French Hindi Urdu Japanese Khmer Korean Pasifika languages Persian Russian Spanish Turkish Vietnamese and Yiddish These discussions contribute to the development and establishment of HL instructional paradigms through the experiences of actors on the ground as they respond to local conditions instantiate current research and pedagogical findings and seek solutions that are workable from an organizational standpoint The Routledge Handbook of Heritage Language Education is an ideal resource for researchers and graduate students interested in heritage language education at home or abroad **Encyclopedia of Christianity in the Global South** Mark A. Lamport, 2018-06-01

Christianity has transformed many times in its 2 000 year history from its roots in the Middle East to its presence around the world today From the mid twentieth century onward the presence of Christianity has increased dramatically in Asia Africa

and Latin America and the majority of the world's Christians are now nonwhite and non Western The Encyclopedia of Christianity in the Global South traces both the historical evolution and contemporary themes in Christianity in more than 150 countries and regions The volumes include maps images and a detailed timeline of key events The phrases Global Christianity and World Christianity are inadequate to convey the complexity of the countries and regions involved this encyclopedia with its more than 500 entries aims to offer rich perspectives on the varieties of Christianity where it is growing how the spread of Christianity shapes the faith in various regions and how the faith is changing worldwide

Scars of Partition William F. S. Miles, 2014-07-01 Based on three decades of fieldwork throughout the developing world Scars of Partition is the first book to systematically evaluate the long term implications of French and British styles of colonialism and decolonization for ordinary people throughout the so called Third World It pays particular attention to the contemporary legacies of artificial boundaries superimposed by Britain and France that continue to divide indigenous peoples into separate postcolonial states In so doing it uniquely illustrates how the distinctive stamps of France and Britain continue to mark daily life along and behind these inherited borders in Africa Asia Oceania and the Caribbean Scars of Partition draws on political science anthropology history and geography to examine six cases of indigenous indentured and enslaved peoples partitioned by colonialism in West Africa West Indies South Pacific Southeast Asia South India and the Indian Ocean William F S Miles demonstrates that sovereign nations throughout the developing world despite basic differences in culture geography and politics still bear the underlying imprint of their colonial pasts Disentangling and appreciating these embedded colonial legacies is critical to achieving full decolonization particularly in their borderlands

The Handbook of Contemporary Cambodia Katherine Brickell, Simon Springer, 2016-09-13 Offering a comprehensive overview of the current situation in the country The Handbook of Contemporary Cambodia provides a broad coverage of social cultural political and economic development within both rural and urban contexts during the last decade A detailed introduction places Cambodia within its global and regional frame and the handbook is then divided into five

thematic sections Political and Economic Tensions Rural Developments Urban Conflicts Social Processes Cultural Currents The first section looks at the major political implications and tensions that have occurred in Cambodia as well as the changing parameters of its economic profile The handbook then highlights the major developments that are unfolding within the rural sphere before moving on to consider how cities in Cambodia and particularly Phnom Penh have become primary sites of change The fourth section covers the major processes that have shaped social understandings of the country and how Cambodians have come to understand themselves in relation to each other and the outside world Section five analyses the cultural dimensions of Cambodia's current experience and how identity comes into contact with and responds to other cultural themes Bringing together a team of leading scholars on Cambodia the handbook presents an understanding of how sociocultural and political economic processes in the country have evolved It is a cutting edge and interdisciplinary resource for scholars and students of Southeast Asian Studies as well as policymakers sociologists and political scientists with an interest in contemporary Cambodia

A Journey of Ethnicity Rie Nakamura, 2020-05-05 The Cham people are thought to be descendants of the kingdoms of Champa located in central Vietnam between the 2nd and 19th centuries Champa was one of the oldest Hinduized kingdoms in Southeast Asia and became prosperous through maritime trades and its high quality eaglewood from the central highlands made it famous However Champa disappeared from the political map of Southeast Asia after its defeats against the Vietnamese southward expansion The Cham are now one of the 54 state recognized national ethnic groups but Champa's ancient brick structures and temples scattered along central Vietnam attest to its previous glory Champa adapted a number of foreign religions such

as Hinduism Buddhism and Islam in the course of its history which made its culture and tradition rich and unique This book is about a journey of understanding what it means to be Cham in the Social Republic of Vietnam It is based on field studies in various Cham villages in three different localities namely the south central coast area Ho Chi Minh City and the Mekong Delta region It is grounded in information gathered through prolonged interactions with Cham individuals over recent decades The book stresses the complexity of Cham communities and the diversity and dynamics of the Cham s understanding of who they are It provides a comprehensive picture of Cham communities and the situation of ethnic minority people of Vietnam in general
