methodologies and ideologies of English medium instruction EMI contributing to new understandings of translanguaging as theory and pedagogy across diverse contexts It brings together a number of conceptual and empirical studies on translanguaging in EMI at different educational levels in a variety of countries with different approaches to translanguaging different named languages and different policies These studies include several underrepresented contexts across the globe providing a broad view of how translanguaging in EMI is understood in these educational settings Furthermore this book addresses the complexities of translanguaging through a discussion of the affordances and constraints associated with the use of multiple linguistic resources in the EMI classroom

The Next Phase in Heritage Language Studies:

Methodological Considerations and Advancements Fatih Bayram,Maki Kubota,Sergio Miguel Pereira Soares,2024-03-27
Over the past three decades studies investigating heritage speaker HS linguistic competencies have shown time and again that despite being L1 or 2L1 native speakers of their home language s HS outcomes display variation across a wide spectrum of differences as compared to each other other types of bilinguals as well as their monolingual peers Studies have traditionally used mostly behavioral methodologies rooted in adjacent established fields e g L1 acquisition adult L2 acquisition offering in addition to documenting and describing HS performance important insights for linguistic theory and challenges related to home minority language maintenance contact policy and more A birds eye view makes it clear that the methodologies one uses to tap into HSs linguistic knowledge areas if not more are important than the phenomena under investigation especially in light of how their unique experiences with their heritage and other languages are present across a continuum
