Guide De L Auto Entrepreneur 23:

Resources in Education, 1992 **Mémo-Guide de l'infirmier libéral** Nathalie PETIT, Nadine Hesnart, Abdem Iazza, 2019-01-02 La promesse de meilleures conditions de travail attire chaque année un nombre plus important d'infirmiers vers l'exercice en libéral. Autonomie, qualité relationnelle, progression possible des revenus, autant d'arguments pour s'installer seul ou plusieurs en cabinet. Mais cette installation a de fortes contraintes dont beaucoup ne sont pas étudiées lors de la formation initiale. Dans un contexte économique tendu, sur fond de polémique de surpopulation professionnelle et de menaces sur le remboursement de certains actes, l'IDEL se retrouve confronté à une charge administrative importante, des problèmes juridiques et fiscaux, mais aussi à l'agrandissement de ses responsabilités personnelles et surtout au manque de temps. Afin d'être efficace rapidement, ce guide offre des réponses en un coup d'oeil grâce à son format clair, conçu sous forme de fiches. Questions et réponses, on y trouve toutes les informations indispensables, pratiques et légales, sur l'installation en cabinet, le statut et les différentes protections, l'organisation de l'exercice au quotidien, la gestion administrative et comptable, ainsi que différents outils législatifs.

The Entrepreneur's Strategy Guide Tom Cannon, 2006-09-30 In an environment where the chances of failure are much greater than success, what will make your company a winner? Drawing from fifty years of experience, research, and observation in entrepreneurial strategy, Tom Cannon offers a game plan for entrepreneurs. Dividing the book into two basic parts, the marketplace/external environment and the organization/internal environment, he outlines the ten core capabilities that every business must master in order to be successful. Illustrating each principle through examples of real companies and engaging the reader through diagnostics, checklists, and other interactive exercises, Cannon presents an essential resource for entrepreneurs, managers of startups, spinoffs, and other entrepreneurial units, and students of strategy and business development. At the heart of the book is an emphasis on how entrepreneurs can execute ambitious visions and strategies by mastering the basics and recognizing opportunities to continuously improve and innovate.
