Alchemically Stoned - The Psychedelic Secret of Freemasonry P.D. Newman,2017-06-21 P D Newman s bold and daring theory provides a radical interpretation of Masonic symbolism In the tradition of Wasson Hofmann and Ruck in The Road to Eleusis Unveiling the Secret of the Mysteries 1978 and Heinrich s Strange Fruit Alchemy Religion and Magical Foods 1995 Newman suggests that practical

psychoactive pharmacology rather than philosophy lies concealed in the root of some of our allegories and mysteries

Admitting to being more than a mere theoretician Newman draws from his own personal experiences and a wide range of sources in presenting his theory in a logical manner which merits consideration Arturo De Hoyos 33 Grand Archivist and Grand Historian Ancient and Accepted Scottish Rite Southern Jurisdiction *High Magic* U. PR *Energy Magick of the Vampyre* Don Webb, 2021-05-04 Explains how a Vampyre is not a blood sucking mythical figure but a shaman who is skilled in gathering using and storing energy for magical power and personal liberation Reveals how to gather and store energy from the world around you and shares magical techniques manifestation methods and practices to utilize the energy you have collected Looks at servitors and familiars vampyric runes dream architecture money magick practices and sex magick techniques as well as advanced practices such as healing with vampyric magick In this initiatory guide Don Webb explains how to learn from the myth of the vampire to gather use and store energy for magical power manifestation and personal liberation A Master of the Order of the Vampyre within the Temple of Set the author shares a 9 month process to awaken and initiate you as a Vampyre and allow you to actualize your hidden potential Webb begins by explaining how to gather energy from the world around you and store it in the body in artifacts and talismans and in groups of people such as a coven Through the 9 stages of initiation the author offers guided magical techniques manifestation methods and experiments to utilize the energy you have learned to gather and store He also examines familiars Vampyric runes money magick practices and sex magic techniques Sharing more advanced practices Webb looks at the creation and destruction of egregores and how to fight off psychic vampires those who steal your power and energies Achieve greater self knowledge a deeper connection with the energies that surround you and the power to manifest your deepest desires by walking the path of the Vampyre *Ecocinema Theory and Practice* Stephen Rust, Salma Monani, Sean Cubitt, 2013 This is an anthology that offers a comprehensive introduction to the rapidly growing field of eco film criticism a branch of critical scholarship that investigates cinema s intersections with environmental understandings *Project Management Theory and Practice, Third Edition* Gary L. Richardson, Brad M. Jackson, 2018-07-27 Project Management Theory and Practice Third Edition gives students a broad and real flavor of project management Bringing project management to life it avoids being too sterilely academic and too narrowly focused on a particular industry view It takes a model based approach towards project management commonly used in all industries The textbook aligns with the latest version of the Project Management Institute s Project Management Body of Knowledge PMBOK Guide which is considered to be the de facto standard for project management However it avoids that standard s verbiage and presents students with readable and understandable explanations Core chapters align with the Project Management Institute s model as well as explain how this model fits real world projects The textbook can be used as companion to the standard technical model and help those studying for various project management certifications The textbook takes an in depth look at the following areas important to the standard

model Work Breakdown Structures WBS Earned Value Management EVM Enterprise project management Portfolio management PPM Professional responsibility and ethics Agile life cycle The text begins with a background section Chapters 1-9 containing material outside of the standard model structure but necessary to prepare students for the 10 standard model knowledge areas covered in the chapters that follow The text is rounded out by eight concluding chapters that explain advanced planning approaches models and projects external environments Recognizing that project management is an evolving field the textbook includes section written by industry experts who share their insight and expertise on cutting edge topics It prepares students for upcoming trends and changes in project management while providing an overview of the project management environment today In addition to guiding students through current models and standards Project Management Theory and Practice Third Edition prepares students for the future by stimulating their thinking beyond the accepted pragmatic view

Rabbinic Traditions between Palestine and Babylonia Ronit Nikolsky, Tal Ilan, 2014-05-28 In this book various authors explore how rabbinic traditions that were formulated in the Land of Israel migrated to Jewish study houses in Babylonia The authors demonstrate how the new location and the unique literary character of the Babylonian Talmud combine to create new and surprising texts out of the old ones Some authors concentrate on inner rabbinic social structures that influence the changes the traditions underwent Others show the influence of the host culture on the metamorphosis of the traditions The result is a complex study of cultural processes as shaped by a unique historical moment
