This book has very large text and are separated from illustrations to help beginning readers to focus on the words thus making it easier for them to learn how to read. The book goes like this: This is Miss Streptococcus mutans. Call her Ms S mutans for short. She lives in Mouthland. Miss S mutans is a very busy bacterium. She likes to eat food stuck between teeth. She loves to taste whatever is sweet. All day long Miss S mutans eats pees and poops. The pees and poops that Ms S mutans leaves when left long make holes on the teeth. We call it cavities. So for a sparkling smile brush your teeth after you eat especially before you sleep. Rinse and spit the mess that Ms S mutans made. Enjoy reading.
