Ethical Consumers Guide:

The Ethical Consumer Guide to Everyday Shopping, 1993-01-01 The Ethical Consumer Guide John Elkington, Julia Hailes, Francis B. Gillis, 1998 *The Ethical Consumer* Rob Harrison, Terry Newholm, Deirdre Shaw, 2005-04-23 Focusing on ethical consumers their behavior discourses and narratives as well as the social and political contexts in which they operate this text provides a summary of the manner and effectiveness of their actions **The Ethical Travel Guide** Orelly Minelli, Polly Pattullo, 2012-05-04 Do you want a holiday that bypasses too familiar haunts and gives you a greater depth of experience Do you want a holiday that is enriching for you and for the locals at your destination If you do and believe that your trip should give local communities a fair deal so often denied them as well as being fun then this book is for you This fully revised second edition of The Ethical Travel Guide is the essential resource for responsible global travel providing a wealth of new ideas for your next holiday The extensive directory has been updated and expanded listing hundreds of places to visit and stay in countries all over the world From sustainable farming in Ecuador to luxury culinary breaks in Crete there is something for every taste and budget A thorough introduction gives a background to the many ethical and practical issues involved including a new section on travel and climate change Combining thoughtful guidance with comprehensive listings this is the essential guide for anyone interested in ethical fair and sustainable tourism **The Unmanageable Consumer** Yiannis Gabriel, Tim Lang, 2006-04-07 This book was radically challenging when it was first published and is only more so today as the concept of consumer collapses under the weight of its many meanings Madeleine Bunting Columnist The Guardian Western style consumerism appears unstoppable Yet it is has failed to deliver greater happiness and is now facing major environmental population and political challenges This book examines the key Western traditions of thinking about and being a consumer Each chapter posits a consumer model with examples from the international community Readers are invited to enter an exciting and radical analysis of contemporary consumerism which suggests that consumerism is fragile and consumers unpredictable Updated with new material this Second Edition looks at the impact of new technologies on consumerism and the consolidation of consumerism and consumer language in spheres like education and health The authors discuss the spread of consumerism to developing countries like India and the effect of demographic change and migration The fallout from 9 11 and United States military hegemony is examined as is the influence on consumerism of Islamic fundamentalism the anti globalization movement environmental concerns and depleting natural resources This book is of interest to advanced undergraduate postgraduate and MBA students taking courses on behaviour buyer behaviour customer behaviour consumers and society and retailing Any one interested in better understanding consumerism will also find this book a fascinating read *Ethical Consumerism and Comparative Studies Across Different Cultures: Emerging Research and Opportunities* Al-A'ali, Ebtihaj Ahmed, Masmoudi, Meryem, 2019-08-30 One of the integral parts of determining business success directly correlates to how well a company interacts with their customers This increased demand for direct

communication has evolved how companies cooperate with their patrons and examines how essential ethics is related to these communications Ethical Consumerism and Comparative Studies Across Different Cultures Emerging Research and Opportunities provides emerging research exploring the theoretical and practical aspects of the fundamental issues related to ethical consumerism and applications within business science engineering and technology and examines the impact Arab and global cultures have on consumerism Featuring coverage on a broad range of topics such as business ethics data management and global business this book is ideally designed for managers executives advertisers marketers sales directors practitioners researchers academicians and students

Consumerism in Twentieth-Century Britain Matthew Hilton,2003-11-13 This book is the first comprehensive history of consumerism as an organised social and political movement Matthew Hilton offers a groundbreaking account of consumer movements ideologies and organisations in twentieth century Britain He argues that in organisations such as the Co operative movement and the Consumers Association individual concern with what and how we spend our wages led to forms of political engagement too often overlooked in existing accounts of twentieth century history He explores how the consumer and consumerism came to be regarded by many as a third force in society with the potential to free politics from the perceived stranglehold of the self interested actions of employers and trade unions Finally he recovers the visions of countless consumer activists who saw in consumption a genuine force for liberation for women the working class and new social movements as well as a set of ideas often deliberately excluded from more established political organisations

Globalizing Responsibility Clive Barnett,Paul Cloke,Nick Clarke,Alice Malpass,2010-12-09 Globalizing Responsibility The Political Rationalities of Ethical Consumption presents an innovative reinterpretation of the forces that have shaped the remarkable growth of ethical consumption Develops a theoretically informed new approach to shape our understanding of the pragmatic nature of ethical action in consumption processes Provides empirical research on everyday consumers social networks and campaigns Fills a gap in research on the topic with its distinctive focus on fair trade consumption Locates ethical consumption within a range of social theoretical debates on neoliberalism governmentality and globalisation Challenges the moralism of much of the analysis of ethical consumption which sees it as a retreat from proper citizenly politics and an expression of individualised consumerism

The Politics of Expertise Matthew Hilton,Jean-François Mouhot,2013-04-25 Offers a challenging new interpretation of politics in contemporary Britain through an examination of non governmental organisations Demonstrate how politics and political activism has changed over the last half century

Luxury Fashion Scandals Ethan Rodriguez,2025-02-24 Luxury Fashion Scandals pulls back the curtain on the glamorous luxury fashion industry revealing a darker side often hidden from consumers The book investigates financial manipulation brand integrity failures and labor exploitation that plague even the most prestigious brands For example inflated valuations and tax avoidance schemes are common practices illustrating the complex ethical landscape these businesses navigate Similarly counterfeiting and marketing missteps can

severely damage a brand's carefully constructed image highlighting the fragility of perceived perfection The book traces the evolution of luxury from exclusive craftsmanship to mass produced status symbols showing how this shift created opportunities for unethical practices Examining case studies and drawing on financial reports and investigative journalism *Luxury Fashion Scandals* systematically exposes scandals such as market manipulation data breaches and unsafe working conditions It progresses from defining key concepts to analyzing specific instances of fraud and culminates by proposing strategies for reform offering insights for consumers and industry professionals alike
