

The background of the book cover is a photograph of a modern building's exterior. The building features a prominent vertical garden facade, which is a wall covered in a dense, multi-layered arrangement of various green plants, including ferns and leafy species. The building's structure is composed of dark, horizontal and vertical metal beams that frame large glass windows. The windows reflect the surrounding environment, showing bare trees and a bright sky. The overall aesthetic is one of sustainable architecture and urban greening.
