This manual is a printed version of the owner's manual that is originally contained on the CD-ROM owner's manual, which ships with all 2007 forks and shocks. Although we have attempted to edit all references, we might not have caught all of them; certain elements of this printed manual may contain language that implies that the user follows a hyperlink, which is, of course, impossible in a printed manual. Please refer back to the table of contents to find reference sections.
