

## ***FRANKENSTEIN* Study Guide**

**Homework:** Please write your answers on separate paper.

### **Letters 1-4**

1. Who is writing Letter 1 (and all the letters)?

**Robert Walton**

2. To whom is he writing? What is their relationship?

**Mrs. Saville, his sister**

3. Where is Robert Walton when he writes Letter 1? Why is he there? What are his plans?

**St. Petersburg, Russia. He is hiring a crew for his ship. He intends to sail to the North Pole and discover magnetism.**

4. What does Robert Walton tell us about himself?

**He is passionately committed to discovery and adventure. He wishes he had a friend with the same sensibilities and he says he is self-taught.**

5. Where is Walton now? What do you think of Walton's question "What can stop the determined heart and resolved will of man"?

**Walton is out to sea, sailing north. The quotation establishes the Romantic idea of the power of emotion over reason.**

6. How much time has elapsed between Letter 3 and Letter 4? What "strange accident" has happened to the sailors?

**One month has lapsed. The accident is the ship is trapped in ice and fog.**

7. Why does the man picked up by the ship say he is there? What shape is he in?

**The man says he is "seek[ing] one who fled from me" (11) and he asks which direction the ship is sailing. He is near death, weak and emaciated.**

8. What sort of person does he seem to be? How does Walton respond to this man?

**The man remains silent and this creates a sense of mystery around him. Walton finds the man eloquent, educated and refined.**
