Where White Shoes Walk Mary Lu Gerke Ph.D., 2023-10-05 About the Book *Where White Shoes Walk* follows the professional journey of Mary Lu Gerke Ph.D. as she goes through her career as a nurse. She shares the remarkable true stories of patients, families, and coworkers that will make you laugh and cry. Being a healthcare worker is hard, but the rewards are even greater. At many times, God was by Mary's side, and his guidance along with her own personal ethos about nursing helped untold numbers of patients, families, and coworkers. It shows that placing compassion, care, and humanity at the heart of healthcare work can change minds and lives. About the Author Mary Lu Gerke Ph.D. comes from a family of thirteen. Her family was a community. They were all very active in church, education, and many community events. She was taught growing up the need to take care of your own family as well as your neighbors. Her hobbies include fishing, boating, kayaking, golfing, woodworking, crafts, reading, snowshoeing, biking, and spending time with family and friends. Other special interests include learning to do new things around the house and yard, repurposing items into crafts, and helping others. *Where White Shoes Walk* is the true memoir of her life as a nurse from the beginning of her career into retirement.

In a friendly and personal voice, this book describes the current academic environment and the expectations facing students today. Each chapter builds on the previous one and contains resources and examples on preparing mentally for the rigors of school, getting family and other support systems onboard, balancing job responsibilities and schedules, sharpening academic and computer skills, setting up a study area that is conducive to success, and celebrating achievements along the way. The book also details ideas on how to finance a college education, including particular resources available to nurses.
