His Holiness the Dalai Lama has suffered enormously throughout his life, yet he always seems to be smiling and serene. How does he do it? In *The Art of Happiness in a Troubled World*, Dr. Cutler walks readers through the Dalai Lama's philosophy on how to achieve peace of mind and come to terms with life's inherent suffering. Together, they examine the roots of many of the problems facing the world and show us how we can approach these calamities in a way that alleviates suffering and helps us along in our personal quests to be happy.
