

Rough Draft

The United States has long been considered a land of immigrants -- a place where most of the population can trace its ancestry to a different country, with people coming from every part of the globe. Most Americans believe that diversity, at least in principle, contributes to a melting pot of ideas and cultures that makes everyone stronger. But as much as the U.S. prides itself on welcoming immigrants from around the world, the immigration system is rife with problems. Those problems have come to the forefront in American politics over the past several years, with a sharp divide among Americans who fear immigration threatens their way of life and those who consider it an important building block of society. There are efforts to maintain English-only government resources and ensure jobs draw from Americans first. Many vilify undocumented immigrants -- those who are in the country without legal status -- saying they're taking jobs and resources when they're not supposed to be here in the first place.

Yet more recently, politicians in both parties have come to see anti-immigration posturing as detrimental. With the politics seemingly ripe for success on immigration reform, the Obama administration and members of the U.S. legislature have pushed to change the system. The aim is to alter most major tenets of the immigration system. Legal immigration would be reformed to allow in workers with different skills instead of giving visas to so many people based on their family ties in the United States. The enforcement system would be changed to ensure the unauthorized immigrant population doesn't swell again. And many want to make sure that some of those who are already in the U.S. without authorization can find a way to stay if they pass a background check, pay taxes, learn English and meet U.S. laws. The immigration laws are very complex, and there is much confusion as to how it works. The Immigration and Naturalization Act (INA), the body of
