to prepare you for the most recent version of the written test Detailed explanations of each answer to help you get a perfect score Over 9 different chapters that lay out the basics of each section on the exam plus 2 BONUS cheat sheets The biggest mistake most people make when prepping for their tests and how you can avoid the same fate 56 tips and tricks to get you ready for both the written exam and the road test Studying hacks to make sure you ace every question on the test even if you don't have enough time to practice The 12 questions most test takers get wrong answer these the right way if you don't want to fail And much more Don't waste hundreds or even thousands of dollars on driver's ed courses that barely even help you with the written portion of your driver's license test This New Jersey Driver's Practice Tests Course shows you everything you need to know to pass your exam on the first attempt and for only a small fraction of what it costs to hire an instructor Regardless of your driving experience this all in one guide will boost your test taking confidence and have you cruising around New Jersey in no time You could keep sitting at home worrying about whether or not you're going to have to retake the test or you can master all the essential road rules skills and practices and get one step closer to obtaining your driver's license If you want to Pass your MVC written exam once and for all then scroll up and click the Add to Cart button right now
