Jack The Ripper Secret Service:

A Secret Service William Le Queux, 1896 *A Secret Service: Being Strange Tales of a Nihilist* William Le Queux, 2023-07-07 Excerpt While writing for The Times a series of articles dealing with the Russian Revolutionary movement and the condition of political exiles in Siberia I became acquainted with the original of Anton Pr hznev Strange as his stories chronicled in these pages may appear there are nevertheless in London at the present moment many refugees from the Tzar s empire who could relate facts of an even more startling character Tzaricide is unfortunately as popular in Russia as it ever was and the so called Nihilists have since the accession of Nicholas II relinquished none of their activity There was but little genuine mourning for Alexander III and the feigned national affliction was speedily succeeded by joyful anticipations of a new and prosperous era But Russia has already found that her golden hopes have faded The powerful unscrupulous officials surrounding the young sovereign prompted by those evil principles that made Russia under Alexander III a blot upon European civilisation have by painting in lurid 6 colours a rude and ungrateful nation whom to govern is now his thankless task quickly succeeded in crushing any projected reforms Thus the despairing nation continues to writhe under the oppression of corrupt officials and those who dare lift their voices in protest are arrested and hurried without trial to far Siberia The land is inundated with the swelling flood of the people s sorrow as rivers in spring abundant with water overflow the fields and it will always be as long as an irresponsible cruel and despotic autocracy holds and directs her destinies

nothing which was chalked on the wall near one murder site and rubbed out on order of the Chief Commissioner and ask whether the enigmatic Dr Robert Anderson officer in charge of the investigation knew the Ripper's true identity Jack the Ripper Scotland Yard Investigates strips away much of the nonsense that has accumulated since 1888 and reopens files on a case that will perhaps never be fully solved but will always fascinate *Complete Jack The Ripper* Donald Rumbelow, 2016-02-18 Fully updated and revised Donald Rumbelow's classic work is the ultimate examination of the facts theories fictions and fascinations surrounding the greatest whodunit in history The Complete Jack the Ripper lays out all the evidence in the most comprehensive summary ever written about the Ripper Rumbelow a former London Metropolitan policeman and an authority on crime has subjected every theory including those that have emerged in recent years to the same deep scrutiny He also examines the mythology surrounding the case and provides some fascinating insights into the portrayal of the Ripper on stage and screen and on the printed page More seriously he also examines the horrifying parallel crimes of the Disseldorf Ripper and the Yorkshire Ripper in an attempt to throw further light on the atrocities of Victorian London The Jack the Ripper Suspects Stan Russo, 2004-08-05 The legendary Jack the Ripper murdered as many as ten women between the years of 1887 and 1891 in the East End of London The debate over his true identity has never been resolved This unbiased history of the various suspects including two women will give any reader a grounding on which to make an informed decision on the identity Suspects include influential artist Walter Sickert children's author Lewis Carroll Randolph Henry Spencer Churchill father of Winston Churchill and others ranging from doctors and politicians to wandering lunatics The encyclopedic entries provide such features as major events and other biographical data in a suspect's life a complete case chronology for particular suspects and an analysis of the theories The entries describe the research and reasons that have contributed to the suspect's positive or negative candidacy as a viable suspect Within these pages may lie the true Jack the Ripper the author places all the available facts before the reader British Secret Service Richard Deacon, 1991 Jack The Ripper - An Encyclopedia John J. Jack the Ripper and Abraham Lincoln Tony McMahon,2024-05-07 An astonishing connection between two of the 19th century s greatest crimes A

fraudulent doctor Francis Tumblety is implicated in both the 1865 assassination of President Abraham Lincoln and the 1888 Jack the Ripper killings. It seems incredible that Jack the Ripper could have been involved in killing President Lincoln but the evidence is revealed in this book. We delve into a murky underworld in America's Gilded Age and the poverty-ridden slums of London's Whitechapel district following the murderous trail left by Tumblety. A flamboyant huckster well known in the newspaper gossip columns whose celebrity masked his homicidal tendencies. Arrested over the Lincoln assassination then released while others were hanged on the scaffold. Put behind bars briefly by Scotland over the Jack the Ripper killings but then makes a daring escape. The proof is overwhelming that Tumblety was one of the most dangerous criminals of the 19th century.
