*The Letter of James* Douglas J. Moo, 2000-02-09 Few books in the New Testament are better known or more often quoted as the Letter of James Because James is so concise so intensely practical and so filled with memorable metaphors and illustrations it has become one of the two or three most popular New Testament books in the church This highly original commentary seeks to make the Letter of James clear and applicable to Christian living today Interacting with the latest views on James but keeping academic references to a minimum Douglas Moo first introduces the Letter of James in its historical context and then provides verse by verse comments that explain the message of James both to its first readers and to today's church The General Epistle of James Randolph Vincent Greenwood Tasker, 1967 **The General Epistle of James** R.
