From Hell 2 Heaven Bill Perry, 2021-06-23 This book is about what a soldier goes through while in combat in the Middle East and returning home having to deal with post traumatic stress disorder PTSD While on the battlefield dealing with firefights being shot at and having to hear the battle cries of wounded fellow soldiers all the while trying to save yourself are very traumatic experiences Suppressing all of these horrific ordeals creates PTSD We will bring to light the effects of PTSD and how veterans are returning home and finding it very difficult to function in civilian life Through personal interviews with veterans we have had several of them advise us that there is no atheist in a foxhole you are praying to a higher power to help you through your ordeal Some veterans returning home don't even realize they have PTSD until something happens that triggers a relapse Something as simple as a sudden flash of light or a transformer blowing up may trigger a relapse of PTSD and they may become very despondent or even worse very angry and become violent Every case of PTSD is different Although it may be created from the same traumatic experiences the outcome from each veteran may be different Most veterans try to conceal it or deal with it themselves but the majority of them need assistance through other means when medications don't work This book parallels true events that we as a private investigation agency have at one time or another encountered even the unmentionable human trafficking Today's numbers show that we have the most slaves ever in the history of the world There's danger everywhere even by just taking a picture We have the answer read the book You will see where to go and what to do when you're unable to talk to family or close friends concerning this issue

The Birthing House Christopher Ransom, 2025-09-23 It was expecting them Conrad and Joanna Harrison a young couple from Los Angeles attempt to save their marriage by leaving the pressures of the city to start anew in a quiet rural setting They buy a Victorian mansion that once served as a haven for unwed mothers called a birthing house One day when Joanna is away the previous owner visits Conrad to bequeath a vital piece of the house's historic heritage a photo album that he claims belongs to the house Thumbing through the old sepia colored photographs of midwives and fearful unhappily pregnant girls in their starched nineteenth century dresses Conrad is suddenly chilled to the bone staring back at him with a countenance of hatred and rage is the image of his own wife Thus begins a story of possession sexual obsession and ultimately murder as a centuries old crime is reenacted in the present turning Conrad and Joanna's American dream into a relentless nightmare An extraordinary marriage of supernatural thrills and exquisite psychological suspense The Birthing House marks the debut of a writer whose first novel is a terrifying tour de force *Telling Our*

Stories of Home Kathy A. Perkins, 2021-12-16 What is home The answer seems obvious But Telling Our Stories of Home an international collection of eleven plays by and about women from Lebanon Haiti Venezuela Uganda Palestine Brazil India UK and the US complicates the answer The answer includes stories as far ranging as enslaved women trying to create a home one by any means necessary and one in the ocean siblings wrestling with their differing devotion to home after their mother's death a family wrestling with the government's refusal to allow the burial of their soldier son in their hometown a young scholar attempting to feel at home after studying abroad a young man fleeing home due to his sexual orientation only to discover the difficulty of creating home elsewhere and Siddis Indians of African descent continuing to struggle for acceptance despite having lived in India for over 600 years These are voices seldom represented to a larger audience The plays and performance pieces range from 20 to 90 minute pieces and include a mix of monologue duologue and ensemble plays Short yet powerful they allow fantastic performance opportunities particularly in an age of social distancing with flexible casts that together invite the theme of home to be performed and studied on the page The plays include The House by Arz Khodr Lebanon Happy by Kia Corthron US The Blue of the Island by velyne Trouillot Haiti Nine Lives by Zodwa Nyoni UK Leaving but Can't Let Go by Lupe Gehrenbeck Venezuela Questions of Home by Doreen Baingana Uganda On the Last Day of Spring by Fidaa Zidan Palestine Letting Go and Moving On by Louella Dizon San Juan US Antimemories of an Interrupted Trip by Aldri Anuncia o Brazil So Goes We by Jacqueline E Lawton US and Those Who Live Here Those Who Live There by Geeta P Siddi and Girija P Siddi India
