Frank Sinatra In A Blender Matthew McBride:

End of the Ocean Matthew McBride, 2019-06-11 From the author of the popular cult classics *Frank Sinatra in a Blender* and *A Swollen Red Sun* comes a riveting novel of redemption and suspense that asks the question just how far are you willing to go for love Would you give up everything you've ever known Risk your freedom Risk your life When newly divorced Sage arrives in Bali his only plan is to drink on the beach until his money runs out and then return home to start over So he's caught by surprise when he falls in love with the country and its people particularly the attractive and considerate Ratri Soon Sage can no longer see himself living anywhere else even as his funds dwindle and his visa's expiration date nears Increasingly desperate to stay with Ratri Sage finds himself being recruited by a drug smuggling ring in a country where drug trafficking is punishable by death The promised pay out would be enough to set Sage and Ratri up for life but only if Sage isn't caught Will Sage go home and risk the life he envisions with Ratri or risk everything to stay and make that life possible Both lyrical and suspenseful intimate and ambitious **END OF THE OCEAN** is an unforgettable look at a brutal business in one of the most beautiful places on earth
