Kuda Mupfeka Sr, 2014-05 This book is an amalgamation and skillful blending of revelation, spiritual insight, academics, research, and refined biblical theology. This work caters for the unbeliever, born again, Charismatic, Pentecostal, Evangelical, mainline, Religious Traditionalist, student, skeptic, and atheist; there is something for everyone in this revered and well-researched work. This is one of the few books of its kind that blends scholastic wisdom, academic research, and historical actualities with fresh bible-based revelation. The author does not bid to coax or cajole you to go with his school of thought; neither does he bestow a myopic viewpoint but uses *The Word* to explain *The Word* and balances it with authentic historical facts, substantiated theological facts, and leaves you in a place where you can choose either to believe history, astuteness, scripture, or academics, which are all intermarried in this imposing and revered work. Go through this work not as a denigrator but as a student; maintain an open mind, and you will just be startled how certain mysteries can be solved so simply through divine wisdom that can still be proved by science, history, actualities, and adroitly balanced biblical theology. I have also thrown two bonus chapters in this book: Chapter 9 that deals with *How to Study your Bible in a Transforming Way*. The chapter will help you to Ask the right questions, Read the Bible topically, Systematically, Maintain an open mind, and a receptive spirit. Be prayerful and ask for the leading of The Holy Spirit. Move in Revelation Knowledge. Chapter 10 is the bridge between revelation and scholastic astuteness that will help us in *Bringing The Balance*. I pray that this book will be a great blessing to you and that a hunger for God and for God's Word will arise inside you. Read this book with an open mind and with a prayerful heart, and be blessed. **Bible Questions and Answers for Children** Eliza Roxey Snow, 1883
