**ITIL** Jason Dion, 2018-08-31 In this book you will receive a crash course that will introduce you to everything you need to know in order to pass the ITIL Foundation certification exam. This book covers just the essentials with no fluff filler or extra material so you can learn the material quickly and conquer the certification exam with ease. This book assumes that you have no previous experience with the ITIL framework and will teach you the bare minimum you need to know in order to take and pass the ITIL Foundation certification exam on your first attempt. This book will NOT teach you everything you need to know to be efficient or effective in implementing the ITIL Framework in your organization. This text is designed to get you to pass the certification exam not to make you an expert in ITIL. Due to the design of this text we will move at a very quick pace through the material. If you read this entire book and take the practice exams located at the end of the text scoring at least an 85% or higher you will be ready to take and pass the ITIL Foundation exam on your first attempt. Please register your book at [www.DionTraining.com](http://www.DionTraining.com) to gain access to the accompanying online video course as a free bonus. Dion Training is an Authorized Training Organization (ATO) for the ITIL Foundations exam. Discount exam vouchers are available through our website for students.
