The center plug can be emblazoned with your dealer logo to help build your brand, increase your advertising exposure and serve as a referral tool. You can offer customization to the

end-user as well as custom-programming the zones (e.g. Jennifer's Bedroom, Garage Door, etc.), so they know the exact nature and location of an alarm—allowing them to react quickly.

The vivid, negative-mode display and negative-etched keys give the keypad a little more of the cool factor and increase visibility in a darker area or from a distance.
