of their craft directly from Mr Halbert or they learned the business from mentors who learned their best secrets from Gary Top ad writer Paris Lampropoulos may have put it best when he said In the world of copywriting all roads lead back to Gary Halbert And it s true Here s just a small sample of the what s revealed inside How to get your mail open and read For many savvy marketers direct mail is actually working better today than it ever has The single best advantage any business owner can have It s so simple yet almost everyone overlooks it How top pros write killer headlines fast and how you can do it too The sordid details of Gary s infamous and scandalous life including how he went from being a military policeman to self made multi millionaire to prison inmate to self made multi millionaire yet again What it really takes to write breakthrough promotions Hint The actual writing has very little to do with it Why the fastest writing is often the best writing The one secret nearly ALL top copywriters used to get to the top of their profession as fast as humanly possible Why you should not start your sales messages with a question How to create killer sales messages writing a single word Out of room to list more
