Rogue Spooks Dick Morris, Eileen McGann, 2025-08-22 This is the story of an attempted coup d tat by rogue intelligence agents The goal to overthrow the presidency of Donald Trump and subvert the will of the electorate Donald Trump s first 100 days in office were roiled by allegations of treasonous contacts between his campaign team and the Kremlin to rig the election These outrageous charges first surfaced in the notorious Trump Dossier an unverified document of suspect provenance full of wild and salacious accusations This dossier filled with little more than gossip rumor and innuendo was compiled by Christopher Steele a former British intelligence operative who teamed up with the FBI and anti Trump partisans Hillary Clinton supporters paid for Steele s work When no news media would publish the unverified dossier the ex spook enlisted the help of a former UK ambassador to Russia who arranged in turn for a former U S assistant secretary of

state to get the document to Senator John McCain in the hope that he would then bring it to FBI Director James Comey's attention. McCain did just that. Comey himself played a critical role in the dossier ultimately going public, giving a confidential summary to President Obama and congressional leaders. It was immediately leaked by rogue spooks in order to demean, destabilize and destroy Donald Trump's nascent presidency. The dossier and this mythical intelligence are the basis for the phony claims about a Russia-Trump collusion to steal the election. No proof was found. No substantiation uncovered. Even Comey told Trump he was not under investigation for the Russian meddling charges. But that didn't end the leaks or the allegations. Working in concert with liberal news outlets, these rogue spooks have formed a new Intel-Media complex that threatens our democracy. *Rogue Spooks* will reveal how it works. Readers of *Rogue Spooks* from bestselling authors Dick Morris and Eileen McGann will be shocked to learn the truth about the false accusations against President Trump in the flawed dossier. They'll be interested to know how leaks to the media fueled the phony scandal and how intelligence agencies tried to use the newly appointed special prosecutor to oust President Trump.
