development of physical competence and fitness as well as to the child's cognitive social and emotional development Physical
Education PE plays a crucial role in the holistic education and development of children Yet in many schools from
marginalised neighbourhoods PE is not given the recognition and importance it deserves For this reason the KaziKidz
teaching material was developed for teachers principals school staff or for those responsible from the Department of
Education in order to contribute to and support the quality of PE in these schools The exercises and games in this book are
easy to use do not require a lot of material and are met with much joy and enthusiasm by the learners The teaching material
