An Almanac of Contemporary and Continuum of Jurisprudential Restatements 'lai Oshitokunbo Oshisanya, 2022-07-10 A

Compendium of Jurisprudential Annotations of Cases with Treaties Statutes Rules and Commentaries Intellectual Property in Russia Natalia M. Udalova, Anna S. Vlasova, 2021-07-28 Intellectual property rights are essential for a firm's competitive edge and success and form the significant assets for many firms. The authors of this book argue that intellectual property is a complex phenomenon which inevitably requires a combination of both economic and legal considerations because the lack of understanding of the mechanisms for the protection and preservation of IP can serve to undermine any of the potential economic benefits. The book outlines the opportunities that can be derived from the use of IP in business and also identifies the rules necessary for their implementation. It offers a comprehensive systemic research of intellectual property based on the most up to date legislation and cases of IP use in Russia. Such an approach will allow readers to fully understand the peculiarities of IP as a special phenomenon of the Russian market. There is a good balance between theoretical knowledge and practical implementation and the plain language and unique approach to structuring information make the book accessible and easy to understand. It contains a special glossary of terms to facilitate the understanding of the material presented in the book. Although the book looks specifically at the Russian case it will have international appeal since intellectual property by its very nature has become a transnational phenomenon. Moreover, the international regulatory framework provides for the similarity of legal regulation of IP. The book will find an audience among researchers concerned with the economics and law of intellectual property as well as policymakers and practitioners involved in business IP.

Parliamentary Debates (Hansard). Great Britain. Parliament. House of Commons, 1946. Contains the 4th session of the 28th Parliament through the session of the Parliament. **Modern Nigerian Constitutional Law** Efemini, Owo M., 2017-08-09. Modern Nigerian Constitutional Law Practices Principles and Precedents has fifteen chapters covers not only the traditional core topics in constitutional law but also the generally neglected ones. In chapter one the author examines some basic issues in Nigerian constitutional law and in chapter two the supremacy of the Constitution is examined. Also examined in this book are federalism, local government, fundamental rights, the fundamental rights enforcement procedure, the legislature, the executive, the judiciary, elections, INEC and political parties.
