Newman,2018-07-26 This new Brief Sixth Edition of David Newman s text is the streamlined version of Sociology Exploring the Architecture of Everyday Life with the same goal to be a textbook that in the author s words reads like a real book

Newman shows how to see the unfamiliar in the familiar to step back and see organization and predictability in our taken for granted personal experiences He uses the metaphors of architecture and construction to help us understand that society is

not something that exists out there independently of ourselves rather it is a human creation that is planned maintained or altered by individuals Instead of surveying every subfield in sociology this text focuses on the structural features of society the social construction of the self and identity and social inequality in the context of social institutions A Complete Teaching Learning Package SAGE edge FREE online resources for students that make learning easier See how your students benefit Bundle with Sociology Exploring the Architecture of Everyday Life Readings Eleventh Edition and SAVE Bundle ISBN 978 1 5443 5249 7
