African American focused magazine      Images of Utopia in the Advertising Page Luigi Manca,Alessandra Manca,2024-11-19 In this book Luigi Manca and Alessandra Manca examine the use of utopian imagery in magazine advertisements from the 1970s through the early 2020s Positing that these advertisements reflect the public s unbridled desires rather than reality itself the authors argue that these idealistic reflections can lead the public to be unable or unwilling to recognize real threats to democracy social justice and the environment They extend this analysis to argue that political moderates have long underestimated the ability of mass media and charismatic radical politicians to tap into the utopian dreams of millions of disillusioned and predominantly white Americans to leverage these dreams in order to further their own political agendas Ultimately this cumulative study spanning decades of advertisement history portrays a consumer utopia shaped almost exclusively by unrestrained consumer desire      **The Hemi in the Barn** Tom Cotter,2012-04-24 Cotter s wildly popular adventures in automotive archaeology continue with forty new stories of amazing finds and resurrections of classic cars
