

THE 816S - BUILT TO LAST YOU LONGER!

GRAVELY QUALITY, PERFORMANCE, AND DURABILITY

Gravelly's newest introduction in its Riding Tractor Line is the Gravelly 816S. Built to the same rigid engineering specifications as other Gravelly Riding Tractors the 816S features a new specially-balanced Briggs & Stratton engine. It is a 16 HP air cooled, cast iron engine with a dry-type replaceable air cleaner featuring an "oil-down" pre-cleaner that helps keep the engine free of dirt and dust particles. With the tractor's all-terrain drive you don't have to worry over broken or out-of-adjustment belts. These are gone... simply gears and shafts made of heavy duty steel all the way from the engine through the 8-speed transmission to the drive wheels and to the attachments. Great for handling the really rough jobs.

The 816S is an all season work horse. When the weather is done there are attachments available that let you take care of other chores the entire year round. Attachments such as the Heavy Tiller and other gardening and cultivating tools. The Gravelly Snowblowers that keep you going during the snowy weather and many, many other attachments that handle hundreds of tasks. Come see them today!

StevenChalmers.com

ALL-GEAR, 8-SPEED TRANSMISSION

There's every speed and all the power you need in the Gravelly 8-speed transmission, standard equipment on the 816S.

You choose from eight forward speeds exactly the ground speed to do the particular job right. Choose from a gear-power crawl at a half mile an hour through a wet meadow right to a half mile an hour transport speed. Whatever you choose the attachment speed remains constant to give you a more wonderful job, example:

Make a clear way with the 42" Power Brush

Snow troubles disappear with the 42" Snowblower

Gravelly 816 S with Heavy Tiller makes gardening fun.

Gravelly 816 S with Rotary Plow perfect weather.
