Krason, 2013-07-05 The child protective system CPS shaped by federal law forty years ago and run on the state and county levels in the United States offered in utopian fashion the hope of preventing all possible child abuse or neglect In response legislators enacted a spate of vague laws that poorly defined such categories as abuse and neglect and granted the CPS sweeping powers to intrude into families often on the basis of nothing more than anonymous complaints about standard childrearing practices This arrangement which followed from the questionable assertion of the existence of a crisis of child abuse and neglect became the basis in theory for the universal monitoring of American families that has resulted in the sharp curtailing of parental rights and responsibilities With overreaching by local and state governments into family affairs the current CPS has not only damaged untold numbers of families but also undercut the legitimacy of parental authority through the continuous threat to parents of child removal In Child Abuse Family Rights and the Child Protective System A Critical Analysis from Law Ethics and Catholic Social Teaching Stephen M Krason gathers essays by leading scholars and practitioners to comment through the prism of Catholic social thought on the plight afflicting American families and the role of the child protective system Here readers will find critical essays on the deleterious effect of the 1974 passage of the Child Abuse Prevention and Treatment Act assessments of current American policies on child abuse and neglect and the role of the CPS within the context of prevailing international human rights principles and Catholic social

teaching a survey of the enforcement of CPS policies from a legal and constitutional perspective research data disputing the CPS principle that all parents are potential abusers and illustrating the greater prevalence of abuse and neglect in broken blended and untraditional families and arguments for poverty and unemployment as the prime culprits in the mistreatment of children Also included are the amicus curiae briefs that the Society of Catholic Social Scientists submitted in two U S Supreme Court cases on parental rights the CPS and state control over the family Child Abuse Family Rights and the Child Protective System should appeal to a variety of professionals as well as scholars from family court attorneys social workers family counselors and clergy to researchers in the fields of social work law family studies American politics sociology human services counseling and psychology and education as well as public officials **Neoliberal Education and the**

Redefinition of Democratic Practice in Chicago Kendall A. Taylor, 2018-09-14 The book uses Chicago as a case study to examine the cultural politics surrounding neoliberal education policy in general and the concomitant alterations to democratic practice in particular After juxtaposing the numerous failures of neoliberal education policy and the language of democratic norms used by those who continually double down on these same policies it examines four distinct but related policy arenas Each chapter begins with a vignette of a particular example of the neoliberal education policy in action Taken together Taylor illuminates the anti democratic nature of neoliberal education policy and the toll it takes on democratic practice in urban space The book concludes with a discussion of what resistance might look like in spaces which co opt democratic concepts for anti democratic ends *National Study of Child Protective Services, Systems and Reform Efforts*
