How To Screenshot On Android Samsung Infuse:

Ascension Light Codes Greg P Clarke, 2013-11-12 The journey is fraught with many dangers the chances of success are slim But the servants of the Earth spirit know that they are the only hope for the planets ascension To succeed they must find the sacred Golden Spiral and the Earths light codes before the scheming Destroyer does The quest will take them to the spiritual dimensions of other worlds aboard a soul ship called Auroras chartered by High Command The servants come from all different walks of life They have been visited by the celestial spirits of their families spiritual DNA in preparation for the task ahead The group must travel to the Spiritual Emperors palace and then on to Warrior Mountain where the supreme Shakti Angel guards the sacred gemstone known as the Will of Fire Back on Earth the clock is ticking The worlds portals have been shut down by terrorists leaving soul ships backed up with their cargo Meanwhile Earths precious resources of love which it sells on the intergalactic markets and relies on for trade and security have been suspended Only the team aboard the Auroras can restore balance to the world and prevent the Destroyer from claiming victory over light itself
