Some writers shy away from outlining believing it their worst nightmare and state that time is better spent writing a novel than planning it. Then there are those who've tried plotting perhaps more than a few times only to get lost in the weeds and overwhelmed by frustration. Stories that work all follow a certain structure you just need to learn how to apply it. *Plot Development* is a step by step guide which will teach you how to decide on the number of characters to include in your novel. How to make each character come alive with their own wants and needs. How to choose between different types of outlines. How to develop engaging events and where to place them within your story. How to enhance your plot with potent subplots. How to build chapters designed to deliver an immersing experience for the reader. How to review and edit your outline to make it even better. How to enrich your opening and closing chapters. Included are seven bonus chapters covering essential topics like theme beta readers short story plotting and much more. Additionally you'll be able to download an outline template to provide an in depth guide for your plotting. No more getting lost in those weeds. *Plot Development: Step by Step Exercises for Planning Your Book*. Learn the step by step system for outlining a successful novel. The two bestselling authors behind the previous guidebook *Plot Development* which showed writers how to outline an entire novel now bring you this workbook full of practical exercises to plan your novel. The creation of your cast of characters. The development of the protagonist antagonist POV characters and minor characters. The construction of the entire outline from start to finish. The composing of subplots to enhance your story. The structure of a powerful chapter and how to build it. The editing process to make your outline stronger. The approach to enrich your opening and closing chapters. *Plot Development: Step by Step* is jam packed with precise questions and thoughtful exercises designed to give birth to a phenomenal novel. **Writing Successful Self-Help and How-To Books** Jean Marie Stine, 2008-05-02 If you follow only a third of Jean's advice you'll have a successful book.
