BOOK JACKET **Behold the Monster** Jillian Lauren, 2023-07-18. Jillian Lauren had no idea what she was getting into when she wrote her first letter to prolific serial killer Samuel Little. All she knew was her research had led her to believe he was good for far more murders than the three for which he had been convicted. While the two exchanged dozens of letters and embarked on hundreds of hours of interviews, Lauren gained the trust of a monster. After maintaining his innocence for decades, Little confessed to the murders of ninety-three women, often drawing his victims in haunting detail as he spoke. How could one man evade justice, manipulating the system for over four decades? As the FBI, the DOJ, the LAPD, and countless law enforcement officials across the country worked to connect their cold cases with the confessions, Lauren's coverage of the investigations and obsession with Little's victims only escalated. New York Times bestselling author and lead of the Starz docuseries *Confronting a Serial Killer*, Jillian Lauren delivers the harrowing report of her unusual relationship with a psychopath. But this is more than a deep dive into the actions of Samuel Little; Lauren's riveting and emotional accounts reveal the women who were lost to cold files, giving Little's victims a chance to have their stories heard for the first time. *P.O.S.T. Scripts Newsletter*, 1977.

Squeaky Jess Bravin, 2020-05-01. In the early 1950s, Lynette Fromme's world was more or less a paint-by-numbers existence that millions of other suburban children were living in. Southern California, red-haired, freckled, and convivial, she was the child of an in absentia workaholic father and a reclusive mother. She sang in the school choir, and her dance troupe performed before President Eisenhower. As a young teenager, she wrote forlorn poetry. Beyond her neighborhood, the counter culture of Los Angeles was thriving. Lynette began getting interested in, then became attracted to, the freedoms of that world. Little by little, she began losing her way. That day on the beach marked Lynette's introduction to the world of shade. Charles Manson, freshly released from prison, became her guide to illegal drugs and social outcasts. Over the course of a decade, Lynette would change until she found herself imprisoned for the term of her natural life in the custody of the Attorney General of the United States for attempting to assassinate then president Gerald Ford. Meticulously researched for over three

and a half years with hundreds of interviews and thousands of pages of testimony to review in Squeaky author Jess Bravin has created a psychosocial masterpiece of one American girl who ran away and ran too far
