irony of internal UN structures failing to adequately adapt to their own gender mainstreaming mandates while those same structures have delivered some gender equality mandates successes externally at local levels This book will be of interest to students of peacekeeping gender studies and International Relations      **Moody's Analyses of Railroad Investments** John Sherman Porter, 1927 American government securities 1928 53 in 5 annual vols v 1 Railroad securities 1952 53 Transportation v 2 Industrial securities v 3 Public utility securities v 4 Government securities 1928 54 v 5 Banks insurance companies investment trusts real estate finance and credit companies 1928 54      Proceedings of the Public Service Commission for the First District, State of New York ...
