Shadowlands and Songs of Light Kevin Ott, 2016-10-01 The Bible tells Christians not to grieve as the world grieves and to rejoice in their sufferings Yet when author Kevin Ott lost his mother unexpectedly in 2010 he sank into a wintry depression When life seemed the darkest something surprising happened While exploring eighteen C S Lewis books and thirteen U2 albums he experienced tremendous stabs of joy the unusual heaven birthed joy that Lewis wrote about in the midst of grief This revelation not only pulled Kevin out of depression it forever changed the way he experienced the love and joy of Christ In *Shadowlands and Songs of Light* you will learn fascinating details about C S Lewis discover his unique definition of joy understand how to apply his revelations about joy to suffering and learn to recognize and cooperate with God's strategic use of joy Enjoy a grand tour of U2's discography with a special emphasis on their exploration of joy and suffering Clearly understand from the perspective of music theory explained in common terms why the music of U2 is so emotionally powerful and how it serves as a perfect analogy for Lewis's concepts of joy and the Christian ability to rejoice in suffering Find inspiration from the personal stories of U2 especially the tragedies that engulfed their youth in Dublin and see how they worked through that grief and discovered a joy that has kept the band together for over thirty five years When the out of control nature of the world and your weaknesses throw you off balance you can experience God's grandeur and joy discovering heaven's perspective until it becomes your instinctive default vantage point every day

Into the Shadowlands: The Eternal Reckoning BANG IA, 2024-09-15 A fiction fantasy novel about Into the Shadowlands The Eternal Reckoning

Shadowlands - Mind, Mood and Memory Gloria Bradley, 2023-02-28 Writing poetry has been a therapeutic process allowing the author the luxury of analysing life with all its passion and mediocrity from birth to death and all the in between

of dreams and beyond including the possibility of an afterlife War mongers and their victims innocents sacrificed at the whim of deluded dictators have dominated this anthology raging at the decimation of masses in pointless persecution Not least love and loss are themes so basic they hardly need an explanation excepting that the written word somehow expands on our deepest most urgent desires releasing us from the mundane allowing a glimpse of a perfect love we aspire to The fun element in the work will lighten the tone and maybe help readers recognise the same scenarios when trying to live the best life they can The various themes were mostly written by the author at random in reaction to the media gossip and a mind in overdrive Some passages of the book are composed of prose sometimes inspired by a competition with a set agenda or the reworking of an old tale with a modern interpretation the author s labour of love
