About the Demonstration Tests

The CTP Online Demonstration Tests contain sample questions intended to familiarize students with the question types that appear in the CTP Online. We hope viewing the Demonstration Tests simulate students' experience viewing and answering tests and other computer system features of the CTP Online.

Questions in the Level 1-2 Demonstration Tests are appropriate for students from spring of third grade through fall of fourth grade and from fall of fourth grade through fall of seventh grade.

Level 1-2 Language Arts and Mathematics Demonstration Tests

For administration of these demonstration tests to students you will need the Level 1-2 demonstration test. You must print the directions **before** you administer the demonstration test to students. It is also important to read through the directions and review the test headsets to listen to instructions and questions. Adults viewing these tests with directions for administration of the actual Level 1 and Level 2 tests are for use

Schools interested in using CTP Online can find more information at <http://www.era.org>
