

Goldman Sachs Employee Manual

James L. Farr, Nancy T. Tippins

Goldman Sachs Employee Manual:

The Oxford Handbook of the Law of Work, 2024-07-31 At the core of all societies and economies are human beings deploying their energies and talents in productive activities that is at work The law governing human productive activity is a large part of what determines outcomes in terms of social justice material wellbeing and the sustainability of both It is hardly surprising therefore that work is heavily regulated This Handbook examines the law of work a term that includes legislation setting employment standards collective labour law workplace discrimination law the law regulating the contract of employment and international labour law It covers the regulation of relations between employer and employee as well as labour unions but also discussions on the contested boundaries and efforts to expand the scope of some laws regulating work beyond the traditional boundaries Written by a team of experts in the field of labour law the Handbook offers a comprehensive review and analysis both theoretical and critical It includes 60 chapters divided into four parts Part A establishes the fundamentals including the historical development of the law of work why it is needed the conceptual building blocks and the unsettled boundaries Part B considers the core concerns of the law of work including the contract of employment doctrines main protections in employment legislation the regulation of collective relations discrimination and human rights Part C looks at the international and transnational dimension of the law of work The final Part examines overarching themes including discussion of recent developments such as gig work online work artificial intelligence at work sustainable development amongst others

Managing Termination of Employment Joydeep Hor, 2009 A best practice guide to terminating employment in light of the fair Work Act 2009 Terminating employment can be an emotional and legal minefield for both the employer and the employee This guide explains when and how an employer can justifiably terminate employment for a range of reasons including poor performance and redundancy

Wall Street Bank Involvement with Physical Commodities United States. Congress. Senate. Committee on Homeland Security and Governmental Affairs. Permanent Subcommittee on Investigations, 2014

The Common Law Employment Relationship Gordon Anderson, Douglas Brodie, Joellen Riley, 2017-09-29 The contract of employment provides in many jurisdictions the legal foundation for the employment of workers This book examines how the development of the common law under the influence of contemporary social and economic pressures has caused this contract to evolve

Handbook of Employee Selection James L. Farr, Nancy T. Tippins, 2013-09-13 The Handbook of Employee Selection provides a comprehensive review of a contemporary personnel selection instruments including the technical methodology for their development and evaluation of their effectiveness b the organizational systems necessary for the effective and efficient use of personnel selection methods as part of organizations human resource management approach and c the societal and organizational factors that provide the context within which personnel selection is nested The Handbook will include descriptions of specific examples of personnel selection procedures that have had major impact on the development of personnel selection function within organizations as well as discussions of

current and future trends in employee selection around the world **Moody's Municipal & Government Manual** ,1928
