Romans and the Mission of God Mark J. Keown, 2021-12-23 Romans is a missional document Yet strangely while many recognize the missional aspects of Romans few monographs are totally devoted to unpacking Romans from a missional perspective Romans and the Mission of God does this very thing Part one explores the background of the letter with an eye to positioning Romans in the story of the mission of God the apostle the Roman world and the early church Part two considers how Romans is a contextually shaped presentation of the gospel A range of other aspects of the way in which Paul shapes his message for the Romans are explored including salvation history metaphors and rhetorical techniques and aspects of the letter including elements opposed to God salvation ideas human response ethics and Christian living and the eschaton Part three delves into issues that arise in Romans that are

important for contemporary mission These include such things as the cosmic scope of the mission the gospel as the power of salvation who does evangelism the miraculous social justice ecology social transformation generosity and hospitality God s sovereignty and human volition prayer the State culture Israel apologetics and theological thinking This is a must read for those serious about Paul Romans and God s mission *Linguistics and New Testament Greek* David Alan Black, Benjamin L. Textual Signposts in the Argument of Romans Sarah H. Casson, 2019-07-30 A fresh look at the development of Paul s argument in Romans The Greek word *gar* occurs 144 times in Romans and 1 041 times in the entire New Testament However many instances of this connective defy easy definition and the English translation for is often inadequate obscuring the clue that *gar* gives to the direction of the communicator s thought In this ground breaking work Sarah H Casson argues that *gar* offers vital guidance to the coherence of Romans The book applies the cognitive approach of relevance theory to show how *gar* functions as an indispensable guide for tracing the significant points of Paul s argument helping resolve questions about the coherence of sections as well as smaller scale exegetical problems The work engages with key debates regarding the purpose of Romans and challenges some recent influential interpretations Features An exegetically useful understanding of the connective *gar* A new method for determining Paul s audience and reason for writing A challenge to recent key debates and influential interpretations of the purpose of Romans **The Greek Verb Revisited** Steven E.
