Various

Homeland English Edition:

Routledge Library Editions: The English Language Various, 2021-07-28 This set reissues 29 books on the English language originally published between 1932 and 2003 Together the volumes cover key topics within the larger subject of the English Language including grammar dialect and the history of English Written and edited by an international set of scholars particular volumes employ comparisons with other languages such as French and German whilst other volumes are devoted to specific English dialects such as Cockney and Canadian English or English in general This collection provides insight and perspective on various elements of the English language over a period of 70 years and demonstrates its enduring importance as a field of research *British Books*, 1906 *Ominous Homelands in World Cinema* Susana Araújo, 2025-09-19 *Ominous Homelands in World Cinema* examines contemporary films from a range of national settings that expose and critically engage with representations of Homeland a term that resurfaced with renewed intensity in the United States through the establishment of the Department of Homeland Security after 9 11 and gained traction across Europe contributing to the formation of new securitarian configurations whose impact has resonated globally By drawing on contemporary films from different national contexts and relating these with emerging political discourses this book explores some of the new meanings and images associated with ideas of home and land The analysis also traces how notions and representations of Homeland in popular culture have increasingly become infused with themes of security and control not only linked to terrorism but also progressively connected to a number of other global processes such as the so called refugee crisis the emergence of new geopolitical powers wars and the rise of authoritarian leaders and nationalistic movements in different parts of the world This book will be of interest to students and scholars in media and film studies American studies cultural studies critical security studies international relations contemporary history and global studies *The Oxford Guide to Literature in English Translation* Peter France, 2000 This guide highlights the place of translation in our culture encouraging awareness of the process of translating and the choices involved making the translator more visible Concentrating on major writers and works it covers translations out of many languages from Greek to Hungarian Korean to Turkish For some works e g Virgil's Aeneid which have been much translated the discussion is historical and critical showing how translation has evolved over the centuries and bringing out the differences between versions Elsewhere with less familiar literatures the Guide examines the extent to which translation has done justice to the range of work available **English-French Translation** Christophe Gagne, Emilia Wilton-Godberfforde, 2020-12-29 *English French Translation A Practical Manual* allows advanced learners of French to develop their translation and writing skills This book provides a deeper understanding of French grammatical structures the nuances of different styles and registers and helps increase knowledge of vocabulary and idiomatic language The manual provides a wealth of practical tasks based around carefully selected extracts from the diverse text types students are likely to encounter from literary and expository to persuasive and journalistic A mix of shorter

targeted activities and lengthier translation pieces guides learners through the complexities and challenges of translation from English into French This comprehensive manual is ideal for advanced undergraduate and postgraduate students in French language and translation Translations on Sub-Saharan Africa United States. Joint Publications Research Service,1974 **The Oxford Encyclopedia of British Literature** David Scott Kastan,2006-03-03 From folk ballads to film scripts this new five volume encyclopedia covers the entire history of British literature from the seventh century to the present focusing on the writers and the major texts of what are now the United Kingdom and the Republic of Ireland In five hundred substantial essays written by major scholars the Encyclopedia of British Literature includes biographies of nearly four hundred individual authors and a hundred topical essays with detailed analyses of particular themes movements genres and institutions whose impact upon the writing or the reading of literature was significant An ideal companion to The Oxford Encyclopedia of American Literature this set will prove invaluable for students scholars and general readers For more information including a complete table of contents and list of contributors please visit www.oup.com/us/eb1 **The Oxford Encyclopedia of British Literature** David Scott Kastan,2006-03-03 From folk ballads to film scripts this new five volume encyclopedia covers the entire history of British literature from the seventh century to the present focusing on the writers and the major texts of what are now the United Kingdom and the Republic of Ireland In five hundred substantial essays written by major scholars the Encyclopedia of British Literature includes biographies of nearly four hundred individual authors and a hundred topical essays with detailed analyses of particular themes movements genres and institutions whose impact upon the writing or the reading of literature was significant An ideal companion to The Oxford Encyclopedia of American Literature this set will prove invaluable for students scholars and general readers For more information including a complete table of contents and list of contributors please visit www.oup.com/us/eb1 Gender, Sex and Translation Jose Santaemilia,2015-12-08 Gendered and sexual identities are unstable constructions which reveal a great deal about the ideologies and power relationships affecting individuals and societies The interaction between gender sex studies and translation studies points to a fascinating arena of discursive conflict in which our intimate desires and identities are established or rejected re negotiated or censored sanctioned or tabooed This volume explores diverse and heterogeneous aspects of the manipulation of gendered and sexual identities Contributors examine translation as a feminist practice and or theory the importance of gender related context in translation the creation of a female image of secondariness through dubbing and state censorship attempts to suppress the blatantly patriarchal and sexist references in the German dubbed versions of James Bond films the construction of national heroism and national identity as male preserve the enactment of Chamberlain s gender metaphors in Scliar and Calvino the transformation of Japanese romance fiction through Harlequin translations the translations of the erotic as site for testing the complex rewriting s of identity in sociohistorical term and the emergence of NRTs New Reproductive Technologies which is causing fundamental changes in the perception of creativity or

procreation as male domains *Three Encounters* David Farrell Krell, 2023-06-06 In 1974 thirty year old philosopher and translator David Farrell Krell began corresponding and meeting with Martin Heidegger and Hannah Arendt Years later he would meet Jacques Derrida and through many letters and visits come to know him well Drawing on unpublished correspondence and Krell's warmly told personal recollections *Three Encounters* presents an intimate and highly insightful look at the lives and ideas of three noted philosophers at the peak of their careers *Three Encounters* offers a chance for readers to encounter these three great philosophers and their ideas not merely through the lens of their biographies but as people we come to know through their personal correspondence and Krell's recollections *Three Encounters* demonstrates the intertwining of thought and lived experience **The Spectator**, 1907 *Italian Literature since 1900 in English Translation* 1929-2016 Robin Healey, 2019-03-07 Providing the most complete record possible of texts by Italian writers active after 1900 this annotated bibliography covers over 4 800 distinct editions of writings by some 1 700 Italian authors Many entries are accompanied by useful notes that provide information on the authors works translators and the reception of the translations This book includes the works of Pirandello Calvino Eco and more recently Andrea Camilleri and Valerio Manfredi Together with Robin Healey's *Italian Literature before 1900 in English Translation* also published by University of Toronto Press in 2011 this volume makes comprehensive information on translations from Italian accessible for schools libraries and those interested in comparative literature *A Psychoanalytic Study of Lawrence Durrell's The Alexandria Quartet* Rony Alfandary, 2018-09-27 *A Psychoanalytic Study of Lawrence Durrell's The Alexandria Quartet Exile and Return* focuses on the dialogue created by literature and psychoanalysis in an individual's quest to explore existential issues such as a sense of belonging to a homeland and a recurring sense of the Uncanny das unheimliche Rony Alfandary explores Durrell's attempt to recreate a sense of belonging to a homeland which perhaps never existed but can be retraced and reinvented through writing This book studies some issues present in Durrell's work the connection between biographical and fictional elements in the study of literature the influence of early Freudian theoretical themes upon the writer later influences including post modern and hermeneutic theories The life and work of Lawrence Durrell can serve as a prototype of a man's quest for meaning in a world caught in turmoil in the period between and during WW2 The author's psychoanalytic exploration of the work and its relevance to human experience today shows how the themes Durrell dealt with remain relevant Alfandary highlights the ways in which his usage of several author narrative styles exemplifies the divergent and often contradictory nature of Truth emerging rather as multi layered multi voiced and often torn sense of human subjectivity *A Psychoanalytic Study of Lawrence Durrell's The Alexandria Quartet Exile and Return* demonstrates Durrell's strong influence by psychoanalytic thought and will appeal to both psychoanalytic and literary scholars *Wordsworth Translated* John Williams, 2011-11-03 British writers of the Romantic Period were popular in Germany throughout the nineteenth century and translations of Scott Burns Moore Hemans and Byron among others became widespread This study analyses the

reception of William Wordsworth's poetry in 19th century Germany in relation to other romantic poets Research into Anglo German cultural relations has tended to see Wordsworth as of little or no interest to Germany but new research shows that Wordsworth was clearly of interest to German poets translators and readers and that there was significantly more knowledge of and respect for Wordsworth's poetry and interest in his ideas and beliefs than has previously been recognised Williams focuses particularly on the work of Friedrich Jacobsen Ferdinand Freiligrath and Marie Gothein who span the early middle and late years of the century respectively and establishes the wider presence of many others translating anthologising and commenting on Wordsworth poetry and beliefs *Assembling (post)modernism* John Miller Jones,1995 Assembling traces of hope and human striving the philosophy of Ernst Bloch 1885 1977 offers an interpretation of the meaning of utopia This examination relates Bloch's work to the post modern theory of Lyotard Derrida and Foucault and explores its roots in the paradigm of modernism as developed by Kant Hegel Marx Freud and Heidegger Providing a comprehensive view of Bloch's life and work this study also treats a wide variety of themes in the traditions of European philosophy and culture and should be of interest to scholars in all of the humanistic disciplines **Maria Maddalena de' Pazzi** Clare Copeland,2016-08-18 This work offers a detailed reconstruction of the campaigns for and trials resulting in the beatification in 1626 and subsequent canonization in 1169 of the Florentine mystic nun Maria Maddalena de Pazzi 1566 1607 Clare Copeland places her findings in the wide context of the politics of saint making at a time of particular significance for the history of Roman Catholic canonization The Protestant Reformation had put the Roman Catholic Church on the defensive in this area of devotional practice and the period covered in this volume ca 1600 1669 saw far reaching reforms in the ways in which sanctity was measured and adjudicated by Rome Copeland shows how these developments need to be seen less in terms of a top down attempt by the central organs of ecclesiastical control to impose a hegemony of holiness and more in terms of negotiation over the meanings of sanctity and how it relates to canonization between the various stakeholders **The Cambridge Companion to Reformation Theology** David Bagchi,David C. Steinmetz,2004-11-18 The European Reformation of the sixteenth century was one of the most formative periods in the history of Christian thought and remains one of the most fascinating events in Western history The Cambridge Companion to Reformation Theology provides a comprehensive guide to the theology and theologians of the Reformation period Each of the eighteen chapters is written by a leading authority in the field and provides an up to date account and analysis of the thought associated with a particular figure or movement There are chapters focusing on lesser reformers such as Martin Bucer and on the Catholic and Radical Reformations as well as the major Protestant reformers A detailed bibliography and comprehensive index allows comparison of the treatment of specific themes by different figures This authoritative and accessible guide will appeal to students of history and literature as well as specialist theologians **Ten Welsh Folk-songs** David Vaughan Thomas,1928 **Amos Oz's Two Pens** Arie M. Dubnov,2023-02-28 The Hebrew novelist and political essayist Amos Oz 1939 2018 arguably Israel's

leading intellectual was fond of describing himself as using two different pens the first used to write works of prose and fiction and the other to criticize the government and advocate for a political change This volume revisits the two pens parable It brings together scholars from various disciplines who assess Amos Oz s dual role in Israeli culture and society as an immensely popular novelist and a leading public intellectual Next to offering an intellectual portrait the chapters in this book highlight some of Oz s seminal works examine their reception evaluate key political and literary debates he was involved in as well as trace some of the connections between the two realms of his activity This book is a fascinating read for students researchers and academics of Israeli politics history literature and culture The chapters in this book were originally published as a special issue of the Journal of Israeli History and are accompanied by a new afterword by the Israeli novelist Lilah Nethanel The Publishers' Circular and Booksellers' Record of British and Foreign Literature ,1905
