The ... Annual State Department Report on International Religious Freedom ,1999 **The Transformation of Human Rights Fact-finding** Philip Alston, Sarah Knuckey, 2016 Fact finding is at the heart of human rights advocacy and is often at the center of international controversies about alleged government abuses In recent years human rights fact finding has greatly proliferated and become more sophisticated and complex while also being subjected to stronger scrutiny from governments Nevertheless despite the prominence of fact finding it remains strikingly under studied and under theorized Too little has been done to bring forth the assumptions methodologies and techniques of this rapidly developing field or to open human rights fact finding to critical and constructive scrutiny The Transformation of Human Rights Fact Finding offers a multidisciplinary approach to the study of fact finding with rigorous and critical analysis of the field of practice while providing a range of accounts of what actually happens It deepens the study and practice of human rights investigations and fosters fact finding as a discretely studied topic while mapping crucial transformations in the field The contributions to this book are the result of a major international conference organized by New York University Law School s Center for Human Rights and Global Justice Engaging the expertise and experience of the editors and contributing authors it offers a broad approach encompassing contemporary issues and analysis across the human rights spectrum in law international relations and critical theory This book addresses the major areas of human rights fact finding such as victim and witness issues fact finding for advocacy enforcement and litigation the role of interdisciplinary expertise and methodologies crowd sourcing social media and big data and international guidelines for fact finding *Examining Human Rights Issues and the Democracy Project in Sub-Saharan Africa* E. Ike Udogu, 2014-03-06 Sub Saharan Africa is experiencing an impressive measure of economic revivalism that is driven by both national and international forces at the beginning of the twenty first century That political and business leaders in the region are determined that development in this millennium will not mimic the slow pace of growth in the twentieth is a given Undoubtedly the rapid spread of information communications technology ICT and contemporary investments of China in the region s growth agenda bear this thesis out This book among other things advances the theory that improving human rights practices and the democracy project i e democratic consolidation in sub Saharan Africa will create an enabling environment that is critical for stimulating the current inspiring development objectives Monthly Catalogue, United States Public Documents ,1984 State ,1991 **United States Code** United States, 2013 The United States Code is the official codification of the general and permanent laws of the United States of America The Code was first published in 1926 and a new edition of the code has been published every six years since 1934

The 2012 edition of the Code incorporates laws enacted through the One Hundred Twelfth Congress Second Session the last of which was signed by the President on January 15 2013 It does not include laws of the One Hundred Thirteenth Congress First Session enacted between January 2 2013 the date it convened and January 15 2013 By statutory authority this edition may be cited U S C 2012 ed As adopted in 1926 the Code established prima facie the general and permanent laws of the United States The underlying statutes reprinted in the Code remained in effect and controlled over the Code in case of any discrepancy In 1947 Congress began enacting individual titles of the Code into positive law When a title is enacted into positive law the underlying statutes are repealed and the title then becomes legal evidence of the law Currently 26 of the 51 titles in the Code have been so enacted These are identified in the table of titles near the beginning of each volume The Law Revision Counsel of the House of Representatives continues to prepare legislation pursuant to 2 U S C 285b to enact the remainder of the Code on a title by title basis into positive law The 2012 edition of the Code was prepared and published under the supervision of Ralph V Seep Law Revision Counsel Grateful acknowledgment is made of the contributions by all who helped in this work particularly the staffs of the Office of the Law Revision Counsel and the Government Printing Office
