# human learning

The book cover features a stylized illustration. On the left, a white silhouette of a human head in profile, facing right, is set against a dark blue background. Inside the head, a green vine with several red and orange leaves and colorful swirls (green, red, and pink) grows upwards. To the right of the head, the author's name is printed. In the bottom right corner, there is a small, stylized green tree with a brown trunk and a pink vine winding around it. The overall design is artistic and symbolic, representing the connection between nature and human cognition.
