Tractor identification

Tractor identification

The tractor is identified by a plate (Fig. 1) and by a serial number stamped on the radiator core support. The engine serial number is stamped on the engine block.

Always store the chassis and engine serial numbers to ensure prompt and efficient service when ordering spare parts or when asking for technical explanations or other information.

NOTE: Look after the Operation and Maintenance Manual carefully and consult it whenever in doubt.

As a dealer, you should be ordered to provide a form for the tractor identification plate and a serial number stamp on the radiator core support. A serial number stamp on the engine block is also required to be provided to the customer.
