Satter,2011-12-01 Ellyn Satter s Secrets of Feeding a Healthy Family takes a leadership role in the grassroots movement back to the family table More a cooking primer than a cookbook this book encourages singles couples and families with children to go to the trouble of feeding themselves well Satter uses simple delicious recipes as a scaffolding on which to hang cooking lessons fast tips night before suggestions in depth background information ways to involve kids in the kitchen and guidelines on adapting menus for young children In chapters about eating feeding choosing food cooking planning and shopping the author entertainingly helps readers have fun with food while not eating unhealthily or too often She cites current studies and makes a convincing case for lightening up on fat and sodium without endangering ourselves or our children The book demonstrates Satter s dictum that your positive feelings about food and eating will do more for your health than adhering to a set of rules about what to eat and what not to eat *Four Generations Cookbook* Beverley A.

Benjamin,2016-12-29 As our six children moved out I would often receive a phone call asking Mom how did you make this What was the secret ingredient As a child I would watch my Mother cook and preserve fruit can and freeze vegetables bake and have family get together s to make Perogys I enjoyed cooking when I first took it in Junior High School and started to collect recipes I did a lot of family history and over the years I also was given many recipes from the family members plus saved many from other resources My Stepfather taught me the cooking of wild game to make it tender When I got married we had our own garden plus raised cattle chickens turkeys pigs rabbits and even tried ostriches We did our own butchering and I learned from my husband s boss how to do make headcheese from the pigs I made cottage cheese and butter from our milk cow I made sourdough from scratch also From our garden we froze a lot of the crop for the winter The fruit we grew got made into jams and jellies as well as the wild fruit that we picked Often we would go picking berries as a family outing or while Roy and I were haying the children would pick wild berries near the fields We would have a treat of fruit at the end of the day and the excess got made into preserves or into juice My one challenge was making bread even with a bread machine It never turned out Roy took over that challenge and got a recipe figured out that even now I cannot fail making bread The Grandchildren loved helping him make buns When Roy passed away I tried the recipe and when the Grandchildren tried the bread their remark was It taste s just like Grandpa s bread My recipes were in several boxes and I knew where the ones were that I used the most When I started entering my collection into a computer Roy suggested I should make a cookbook because I had a collection of over a century of recipes I have done that now and the collection has recipes from early 1900 s with the old way of the size of the ingredients like amount of butter the size of an egg up to modern amounts I also have enclosed tips that were given to me over the years plus a few old poems that have a special meaning to me **The Fat Man's Recipe**
