Regulate Use of Cell Phones on the Road

When a cell phone goes off in a classroom or at a concert, we are irritated, but at least our lives are not endangered. When we are on the road, however, irresponsible cell phone users are more than irritating: They are putting our lives at risk. Many of us have witnessed drivers so distracted by dialing and chatting that they resemble drunk drivers, weaving between lanes, for example, or nearly running down pedestrians in crosswalks. A number of bills to regulate use of cell phones on the road have been introduced in state legislatures, and the time has come to push for their passage. A week later, corrections officer Shannon Smith, who was guarding prisoners by the side of the road, was killed by a woman distracted by a phone call (Besthoff). On Thanksgiving weekend that same month, John and Carolé Hall were killed when a Naval

Failing Mr. Fisher James Wintermote,2010 Jim Fisher is a first year teacher who quickly learns that his job is more than simply educating his students He has to battle indolence in the classroom enabling parents and an educational system which caters to the lowest level of student and parental incompetence Fisher tries to keep his standards and expectations high even when he has to go head to head with an administrator who becomes his nemesis The novel also takes a glimpse into Fisher s personal life as he tries to balance the perils of dating with the trials and tribulations of his profession The result is a hilarious explosion of absurdity both in and out of the classroom that takes the reader on a rollercoaster ride of entertainment and edification Failing Mr Fisher is based on the teaching experiences of James Wintermote and his family and colleagues Using humor and candor the novel gives us an insider s perspective into why the foundation of the American public education system is crumbling and how it affects not only the students but more importantly the teachers who have been given the responsibility to educate our nation s children
