**Tinsel, Trials, & Traitors** Mary Seifert,2022-08-18 Katie and Maverick are out for their walk when Maverick dashes through the moving gate at a self storage facility and they get locked in By the time the police respond to the silent alarms the pair have set off the smell of exhaust fumes has begun to seep from one of the garage sized units and the car inside is quickly engulfed in a ball of flame Was it a suicide that turned extra messy or did someone rig the expensive sports car to explode and kill the woman inside When Katie starts to ask the tough questions it seems there were a long list of people who didn't much care for Sophie Grainger and several of them had motives for murder But Katie also has her days full with the upcoming holiday season and her students who are participating in a mock trial competition Will the kids make it to the state finals under the expert coaching of a local attorney who has joined their team And will Katie and Maverick have a wonderful Christmas this year the first in which Katie's dad has been home since the horrific shooting incident that nearly killed him Join Katie Maverick and their newfound extended family for the holidays mixed of course with the usual action from their Search and Rescue operations and the breathless drama that Mary Seifert brings to all her mystery novels Praise for the Katie and Maverick Cozy Mysteries Immediately captivating Katie and Maverick are destined to become a notable amateur sleuth team in the mystery world Connie Shelton USA Today bestselling author I thoroughly enjoyed this debut book by Mary Seifert This well written and thoughtful story kept me engaged with fun characters interesting information and mind and math puzzles Looking forward to book two James online 5 star review Fun read The author has an authentic voice and has done her research The plot covers many topics dogs history the inner workings of hospitals family dynamics and more I especially enjoyed the puzzles and little known historical facts that were part of the story Maverick Movies Murder kept my interest and left me wanting more Highly recommend Beth online 5 star review **The Ten-Cent Plague** David Hajdu,1999-02-15 The story of the rise and fall of those comic books has never been fully told until *The Ten Cent Plague* David Hajdu's remarkable new book vividly opens up the lost world of comic books its creativity irreverence and suspicion of authority In the years between World War II and the emergence of television as a mass medium American popular culture as we know it was first created in the pulpy boldly illustrated pages of comic books No sooner had this new culture emerged than it was beaten down by church groups community bluestockings and a McCarthyish Congress only to resurface with a crooked smile on its face in *Mad* magazine When we picture the 1950s we hear the sound of early rock and roll *The Ten Cent Plague* shows how years before music comics brought on a clash between children and their parents between prewar and postwar standards Created by outsiders from the tenements garish shameless and often shocking comics spoke to young people and provided the guardians of mainstream culture with a big target Parents teachers and complicit kids burned comics in public bonfires Cities passed laws to outlaw comics Congress took action with televised hearings that nearly

destroyed the careers of hundreds of artists and writers The Ten Cent Plague radically revises common notions of popular culture the generation gap and the divide between high and low art As he did with the lives of Billy Strayhorn and Duke Ellington in *Lush Life* and Bob Dylan and his circle in *Positively 4th Street* Hajdu brings a place a time and a milieu unforgettably back to life *Washington State Bar News* ,1998 Writing in Elementary School Social Studies Barry K. Beyer,Robert Gilstrap,1982 This book is designed to provide elementary school teachers with information suggestions and models for using writing in the social studies from early primary to middle grades There are four major chapters to the book Chapter I is titled Research on the Teaching of Writing The articles in this first section move from a survey of research in writing to a survey of classroom practice in the use of writing in elementary school social studies and finally to a specific classroom study that integrates the two areas and presents specific implications for the study and teaching of writing Chapter II is titled Developing Readiness in Writing The first two articles stress two important aspects of a classroom environment that nurtures and supports student writing The remaining five articles describe techniques such as interviewing exploring the past and brainstorming that teachers can use to initiate writing The title of Chapter III which contains seven articles is Using Writing to Learn Social Studies Content The articles describe ways in which writing can be used to help students learn social studies information or develop social studies generalizations Another describes how writing can be used to conduct simulated field trips in the social studies classroom The title of Chapter IV is Combining Writing with Social Studies Discussed are three essential supports for a successful program a detailed curriculum guide inservice teacher training and cooperative teacher administrator assessment procedures The book also cites related resources in the ERIC system Author RM Annual Report for the Year Ended ...
