

The background of the cover is a dark, deep blue or black. It features a complex, glowing pattern of thin, curved lines that resemble magnetic field lines or streamlines. These lines are concentrated in the center-right area, where they form a dense, swirling vortex. The lines are colored in a gradient, with bright yellow and orange at the center of the vortex, transitioning through green and blue as they spread out towards the edges. On the left side, there is a bright, out-of-focus light source, possibly a star or a distant galaxy, emitting a soft, yellowish glow. The overall effect is one of dynamic energy and scientific wonder.
