Douglas Ethridge

Epson V750 Manual:

Silver Gelatin In the Digital Age Douglas Ethridge, 2023-12-07 This book provides photographers of all skill levels with a concise step by step guide to combining analog and digital tools with the goal of making silver gelatin prints in the traditional darkroom. It offers the most comprehensive treatment of lith printing published in many years focusing on materials which are currently available. Key topics include traditional silver gelatin printing direct and second pass lith printing film to digital image conversion bleaching toning and other post production practices. Readers will learn how to use specific Photoshop tools to carry out the time honored techniques of overall tonal control contrast and burning and dodging. This also features Photoshop basics for black and white image shaping in Photoshop and digital negative creation. Through exploring these skills readers will gain an understanding of how to prepare images and create negatives that can be used in other historical processes including cyanotype platinum palladium and many others. Author Douglas Ethridge details a systematic approach to combining analog and digital working methods making the text ideal for both digital photographers looking to creatively edit their images with traditional darkroom aesthetics and film photographers looking to incorporate digital capabilities into their practice.

Salted Paper Printing Christina Anderson, 2017-09-01 Salted Paper Printing A Step by Step Manual Highlighting Contemporary Artists makes one of the oldest known photographic processes easy for the 21st century using simple digital negative methods. Christina Z Anderson's in depth discussion begins with a history of salted paper printing then covers the salted paper process from beginner to intermediate level with step by step instructions and an illustrated troubleshooting guide. Including cameraless imagery hand coloring salt in combination with gum and printing on fabric. Salted Paper Printing contextualizes the practice within the varied alternative processes. Anderson offers richly illustrated profiles of contemporary artists making salted paper prints discussing their creative process and methods. Salted Paper Printing is perfect for the seasoned photographer looking to dip their toe into alternative processes or for the photography student eager to engage with photography's rich history.

Mastering the Model Shoot Frank Doorhof, 2013-11-05 For the first time ever world famous photographer and fashion lighting instructor Frank Doorhof takes you behind the scenes to reveal every step of his model photography workflow the same workflow that has made him a hero to photographers around the world thanks to his practical budget conscious no nonsense approach. In this groundbreaking book Frank starts right at the beginning with how to find models find great locations work with backgrounds you'll be amazed at his tricks for creating stunning backgrounds for just a few bucks and work by yourself or with a team stylist hair stylist and makeup artist to create an image that will get your photography noticed. Then it's on to an in depth look at the lighting setups and looks that made Frank famous complete with diagrams and detailed explanations.
