

DRAGON RIDERS

A Dragon Rider may never not abide there in isolation in the land. He and my father, Breen, are intended to be keepers of the peace, and our main responsibility is to stand between the light and the dark, and maintain the balance between the two. As that and every Rider is put through a strict regimen to improve their mental and physical strength. Riders are never allowed that until Breen is fulfilling their destiny.

When a dragon is born, it is a small, helpless creature. It needs to be fed, and it needs to be protected. It is the duty of the Dragon Riders to care for the dragons until they are old enough to fend for themselves. The dragons are the most powerful creatures in the world, and they are the most loyal. They are the only creatures that can fly, and they are the only creatures that can breathe fire.
